Peaks Island, Maine 04108

It's that time of year again at the Fifth Maine! The very popular *Art on the Porch* returns on Sunday August 14 from 10 am – 3 pm. Once again, Jamie Hogan and Monica Dominak have gathered a talented group of artists and craftpersons who will be displaying and selling their work. Coffee and goodies will be available as will grilled burgers, dogs, and drinks. A fun time for all. And the perfect chance to get a head start on your holiday shopping.

Our Civil War Sesquicentennial Commemoration activities continue with *Did Lincoln Really...? An Interactive Evening of Frequently Asked Questions About Abraham Lincoln* on Wednesday August 10 with our special guest, Dr. Gerry Prokopowicz. Gerry served as the Lincoln Scholar at the Lincoln Museum in Indiana for many years and has lectured and written widely about our most popular yet least understood president. Come prepared to ask your own questions. The program starts at 7:30.

The museum is open daily thru Labor Day. Please stop in and see our newest exhibit, *School Days*, a brief look at the 179 year history of our island school.

August Events:

We had 3 performances by great musicians in June including THE PARCEL OF ROGUES (a Scottish band), THE EXCELSIOR CORNET BAND (The Civil War re-enacting band) & PEAKS' MUSICIAN JAM featuring talented local musicians. We hope to schedule additional concerts in August and September. Stay tuned for our notices.

Please give us a call if you have some overflow guests in the coming weeks and need a room or two to accommodate them. And of course no visit to Peaks is complete until you and your guests have stopped by to say hello and take a tour of our facility with the one and only notorious Dick Adams. He will thrill you and your guests with his stories about the 8th Maine Regiment, the Civil War, and life on Peaks Island during WWII.

We hope to see you soon.

See more information on upcoming events at: <http://www.8thMaine.org>

DEADLINE FOR NEXT MONTH'S STAR: Thursday, August 25, by 6 pm. Bring articles copy ready to the library. You may put them in the Book Return or under the door when the library is closed. If you have items for the calendar, please put them on a separate sheet of paper with name and email or phone number so we may contact you with any questions.

THANK YOU to an Anonymous Donor for a generous gift to the STAR.

PEAKS ISLAND TAX AND ENERGY ASSISTANCE

There will be an increase for the August/September property tax balls. Permanent Island residents who need our assistance must file an application with one of the clergy listed on the applications. This year a cap will be placed on the amount of property tax assistance we can give. Please be sure to read the application and follow the directions before mailing the application to our clergy.

Energy Assistance is available year round. We need over \$6000 to cover all of the requests for energy assistance. If you use wood, coal or wood pellets, check with the clergy for information about payment to the vendor. Applications are on the bulletin board at the Peaks Island Library. Please be sure to fill out the whole application before sending it on to our Clergy. Each accepted application comes with a guarantee of at least \$300 to be paid to the vendor.

Pastor Beau Boyle, Reverend Desi Larson, and Ruth Williamson, retired United Methodist Minister help us with the application process for Tax and Energy Assistance. You may contact one of them to file the request. The Clergy will determine eligibility based only on need, and, all homeowners will be given equal consideration. First Tuesdays Book Discussion: On August 2, the meeting will be at TEIA clubhouse, at 7 pm, to discuss *The Immortal Life of Henrietta Lacks* by Rebecca Skloot. For September, we'd like people to come with a book they like or want to read, to suggest for the rest of the year. Meeting date is September 6, 7 pm, in the Community Room. For October, *Freedom* by Jonathan Franzen was chosen, so you can get a head start on that one.

There will be a final **Summer Reading Program** for all children with Jamie Hogan, author and illustrator of *Seven Days of Daisy*, on Tuesday, August 2, at 7 pm. Those who did not complete the program are still welcome at this special event, where the author will serve jelly fish sandwiches and other delectables to go with the theme. A big THANK YOU to Patricia Crowley-Rockwell for her Tuesday night story and craft programs for our summer readers through the month of July.

FRIENDS OF THE PEAKS ISLAND BRANCH LIBRARY

The next Friends event will be on **Tuesday, August 9**, when **George Rosol** will read and sign **copies of his book, *This Island Life***. The Friends' **Annual Meeting Program**, will be **Monday, August 15, at 7 pm**. Marty Braun and Jamie Hogan will show the ins and outs of taking an illustration from rough sketches to final product in **"Page to Print: Behind the Process."** A short business meeting to elect officers for next year will precede the program, at 6:45.

A huge **THANK YOU** to all who made this year's Book Sale our best ever. Thanks to the volunteers, the new and renewing members, those who donated books, and to all who purchased them. This is a great community event. We could not have done it without you! See you next year.

If you were not able to come to the sale and would like to join or renew your membership to the Friends of the Peaks Island Branch Library – only \$5 for families, \$2 for individuals, there are forms at the library. Memberships are from July 2011 through June 2012.

AMERICAN LEGION AUXILIARY NEWS

Where's the hat?!!!! Watch for yet another spectacular hat raffle--this one to recognize the Sesquicentennial of the Civil War--during the first weekend of August. The Ladies Auxiliary of the American Legion is sponsoring a variety of "hat raffles" this year to raise funds to support our scholarship awards and other service programs. It's easy. Spot the hat, then buy a one-dollar raffle ticket for a chance to win not only the hat but the twenty dollars and the scratch-offs attached to the hat. Hmmm...wonder what kind of hat might be adorned with tickets on Labor Day weekend?

Peaks Island Community Emergency Response Team (CERT)

CERT reminds all Islanders that Summer's a great time to check out fire extinguishers and to replenish supplies.

SENIOR NEWS

The view of the Fifth Maine Regiment garden and the ocean beyond was breath-taking as the Seniors enjoyed lunch together on the 2nd Monday of July. It was a time of change as Ruth Williamson turned the President's gavel over to Wally Fischer, and Judith McAlister turned the Secretary / Treasurer's books over to Janice Wolkoff.

Judith, "the purple lady", will be missed by all when she leaves the Island in September. She has been the helping hands that cooked, set-up and washed dishes, and did many other things to support the Seniors. Her open heart, welcoming smile, and willingness to help are gifts we all have enjoyed. Good luck Judith; we know you will bring sunshine wherever you go.

Seniors, do not miss this delicious pot-luck luncheon and fun-filled gathering on the second Monday in August, the 8th, at the Fifth Maine at 12 Noon. We look forward to the new life that Wally and Janice will bring to our group.

All Seniors are welcome! (If you do not consider yourself a Senior, come anyway!)

Home Start

Home Start Increases Energy Efficiency, Seeks Qualified Applicants to Purchase 18 Luther Street for \$170,000

Home Start is pleased to announce that thanks to the continued generosity from the Peaks Island Fund, its 18 Luther Street property continues along the path of efficiency and affordability with plans to replace windows and install a new furnace.

The improvements will be a welcomed addition to Home Start's mission of offering quality, affordable housing to Peaks Islanders as it announces the sale of its 18 Luther St. property--the first homeownership opportunity on Peaks that will be permanently affordable through deeded covenants. The home will be sold for the outstanding mortgage amount of \$170,000. In addition to meeting Home Start's eligibility requirements, the organization is requesting applicants to qualify for HOMEPORT, which upon approval, will provide a 0% interest loan of up to \$30,000 of assistance for a down payment. This funding provides a potential home purchase opportunity of \$140,000.

Home Start will be accepting homeownership applications during the month of August. Interested applicants should visit the Home Start Web site, www.peaks-islandhomestart.org, or the library on Peaks Island for applications. Guidelines and applications for HOMEPORT are available on the City of Portland Web site, www.portland.gov, or by calling Mary Davis at 874-8698.

If a qualified candidate is not found, the home will be offered as a rent-to-own or year-round rental to qualified tenants.

Home Start continues to work toward achieving its mission of creating permanently affordable homeownership and rental housing opportunities for year-round islanders. The organization is working with the Genesis Community Loan Fund, and new partner, Volunteers of America Northern New England, to build two new, energy-efficient rental homes next to 18 Luther St. Please let us know if you would like to be part of the conversation, the process, and the planning. The community is welcome to attend Home Start Board meetings, held the third Thursday of every month at 7 p.m. in the Fay Garman House kitchen on Peaks. The August meeting has been rescheduled for the 25th. For more information, contact Ellen Mahoney, Home Start Board president at 776-0327, or emahoney@peaks-islandhomestart.org.

PEAKS ISLAND CHILDREN'S WORKSHOP: 71 Herman Avenue: 766-2354 www.picw.org

PEAKS ISLAND FOOD PANTRY: Open Monday through Friday, 8:00 – 5:00. Delivery options available.
The pantry is stocked up with special items donated by your island neighbors and friends.

Dear Peaks Island Community,

I wanted to update you on what's happening at the Peaks Island Children's Workshop. First, thank you to everyone for all the support that the PICW has received through phone calls and emails regarding the plans for transition from a "childcare center" to a "small childcare facility". The community's support has been so helpful during this period.

Our Second Annual Cruise on Casco Bay on July 10th was great fun! As a combination of a fundraiser and a thank you to our supporters, we cruised on Casco Bay listening to the music of Dave Gagne and friends. I thank all of those who attended and send a special thank you to Lisa Lynch and her crew for the delicious catering.

Casco Bay Explorers Camp is in full swing. You may have seen the campers boarding the Bagheera, exploring tide pools or playing on the beach. Outdoor Survivor Week is by far our most popular week, so keep a look out for Maine's most famous Survivor! Our preschoolers are enjoying summer fun as well. We have some returning summer preschoolers as well as our year-round regulars who are enjoying swimming at the beach, especially during the heat wave. You can't miss them in their lime green shirts!!!

With respect to the PICW transition, we are finalizing the model and timeline. In the mean time, we will be sharing a letter from Interim Director Lori Freid Moses containing general information about this transition. A copy of this letter will be made available through various means in the community; it is too long to be printed in the Island Times. Please feel free to call or email me for an electronic copy.

Again, I thank you for the amazing support!

Sincerely,

Gail Trefethern-Kelley, PICW Board President

Peaks Environmental Action Team

This month PEAT is embarking on a campaign to eliminate the cigarette litter discarded on island streets and sidewalks, most of which ends up washing into Casco Bay via the storm sewers. *Cigarette filters are made of a material that looks a lot like cotton, but in fact is cellulose acetate tow, which can take decades to degrade. Not only does cigarette litter look unsightly, but the toxic residue in cigarette filters is damaging to the environment. Sea creatures are particularly vulnerable because they swallow these bits of plastic, mistaking them for food!* We think that many people don't realize the harm caused by improperly discarded cigarette butts and that, once informed, they would want to do their part in protecting marine life.

PEAT wishes to commend the Cock-Eyed Gull, the Inn on Peaks Island, Peaks Island House and the Post Office for providing suitable containers in prominent spots and keeping them emptied in a timely fashion.

PEALS ISLAND LIONS CLUB

Good Bye Dan Murphy

Long time dedicated Lions member, Daniel Murphy, passed away in July. He was a true gentleman and will be sorely missed. Dan helped oversee club rentals for many years, could always be seen volunteering at the Variety Show and the Pancake Breakfasts.

Dan used to make up some great dinners for the members prior to the bakes. We have all missed his specialties. He was an Irishman, but he made some great Italian dinners.

Our love goes out to his wife, Helen, his children, grand children and great grand children.
